

## Company Info Tab

### Administrator / System Setup / Company Info

This tab contains address and contact information for the establishment.

The screenshot shows a software window titled "System Setup Options" with a close button (X) in the top right corner. Below the title bar is a tabbed interface with the following tabs: System, Taxes, Company Info (selected), POS Reports, Preset Payment, Orders, Defaults, Collaboration, Email Setup, Advanced, and Security. The "Company Info" tab contains the following fields and controls:

- Owner: Text field with "Mr. John Smith"
- Contact: Text field with "Mrs. Jane Smith"
- Telephone #: Text field with "(905) 264-4700"
- Fax #: Text field with "(905) 264-4711"
- Address 1: Text field with "123 Walnut Street"
- Address 2: Text field with "Unit 2B"
- City: Text field with "Vaughan"
- Prov/State: Text field with "Ontario"
- Postal/Zip: Text field with "L4L 8K9"
- Country: Text field with "Canada"
- Email: Text field with "sales@pixelpointpos.com"
- Web Site: Text field with "www.paritech.com"
- Report Comment: Text area with "This comment will appear on reports."
- Company logo: A small square image placeholder showing the PixelPoint logo.
- Buttons: "Load Image" and "Clear" buttons next to the company logo.

At the bottom of the window is a blue bar containing a globe icon, a small icon, and a "Close Form" button with a red X icon.

The information contained here is applied in two other areas. The first is member billing, so that the establishment's mailing information is included on the invoice. The second area is mapping routes for delivery drivers. The driver map application needs a starting point in order to assemble directions to the delivery destination. It pulls that information from here.
